**Certificate For Health and Sanitary Condition and Drinking Water**

I visited Radhika Senior Secondary School, Majhgawan, Gagaha, District Gorakhpur on dated 14/06/2016.

This institution possesses huge building with 30 rooms. Its sanitary conditions are satisfactory having 09 urinals/lavatories for boys and 09 urinals/lavatories for girls separately.

Ventilation condition of the rooms are satisfactory. Water supply is submersible with one water cooler of 180 liters capacity.

A good arrangement for fire safety having 16. 16 Fire Extinguishers, hence overall healthy and sanitary condition of the institution is good.
